

THE X FACTORY
Industrial design for the fast lane

X-Factory – 2021 EFI System Pricelist

	Option1: X-factory RHD ITBs injection with Megasquirt fuel injection control	Option 2: X-factory EFI XF-RHD injection and Megasquirt ignition & fuel injection control	Option 3: X-factory EFI XF-Jenvey injection and Megasquirt Ignition & Fuel Injection control	Option 4: X-factory EFI w/RHD injection and Megasquirt fuel and ignition control/COPs - Single plug (add \$600 for dual plug option)	Option 5: X-factory EFI w/Jenvey injection and Megasquirt fuel and ignition control/COPs - Single plug (add \$600 for dual plug option)
	Features/components	Features/components	Features/components	Features/components	Features/components
	XF-RHD 42-45mm throttle bodies	XF-RHD 42-45mm throttle bodies	Jenvey ITBs *	XF-RHD 42-45mm throttle bodies	Jenvey ITBs *
	Direct to head mounting	Direct to head adaptors	Direct to head	Direct to head adaptors	Direct to head
	Billet fuel rails	Billet fuel rails	Billet fuel rails	Billet fuel rails	Billet fuel rails
	Airhorns	Airhorns	Airhorns	Airhorns	Airhorns
	Carbon fiber Rainhats	Carbon fiber Rainhats	Filter/housings	Carbon fiber Rainhats	Filter/housings
	fuel pressure regulator w/guage	fuel pressure regulator	fuel pressure regulator w/guage	Filters	fuel pressure regulator w/guage
	EFI injector rail stock AN-6	EFI injector rail stock AN-6	EFI injector rail stock AN-6	fuel pressure regulator	EFI injector rail stock AN-6
	Fuel line and AN-6 fittings	Fuel line and AN-6 fittings	Fuel line and AN-6 fittings	EFI injector rail stock AN-6	Fuel line and AN-6 fittings
	Throttle position sensor (TPS)	Throttle position sensor (TPS)	Throttle position sensor (TPS)	Fuel line and AN-6 fittings	Throttle position sensor (TPS)
	Vaccum manifold/ hose/fittings	Vaccum manifold/ hose/fittings	Vaccum manifold/ hose/fittings	Throttle position sensor (TPS)	Vaccum manifold/ hose/fittings
	injectors (30lb/hr)	injectors (30lb/hr)	injectors (30lb/hr)	Vaccum manifold/ hose/fittings	injectors (30lb/hr)
	Custom injector & TPS wiring harness	injector & TPS wiring harness	injector & TPS wiring harness	injectors (30lb/hr)	injector & TPS wiring harness
	Misc hardware	Misc hardware	Misc hardware	injector, TPS & COPs wiring harness	Misc hardware
Controller	DIY Auto tune MS2 V3.57 (assembled & tested)	DIY Auto tune MS2 V3.57 (assembled & tested)	DIY Auto tune MS2 V3.57 (assembled & tested)	Misc hardware	
	10' wiring harness (DIY Autotune)	10' wiring harness (DIY Autotune)	10' wiring harness (DIY Autotune)	DIY Auto tune MS3X (assembled & tested)	DIY Auto tune MS3X (assembled & tested)
	Tuning cable	Tuning cable	Tuning cable	MS3X wiring harness	MS3X wiring harness
	wideband O2	wideband O2	wideband O2	Tuning cable	Tuning cable
	Temp Sensor	Temp Sensor	Temp Sensor	14.7 o@ controller/sensor	14.7 o@ controller/sensor
	TPS cable	TPS cable	TPS cable	Temp Sensor	Temp Sensor
	Fuse Block w/fuses	Fuse Block w/fuses	Fuse Block w/fuses	Fuse Block w/fuses	Fuse Block w/fuses
	Terminal block	MSD Streetfire	MSD Streetfire	Crankfire pulley/sensor	Crankfire pulley/sensor
Ignition	Standard Dizzy/CDI provides ignition control and provides tach signal to the ECU for Fuel Injection control	Standard Dizzy provides tach signal to the ECU, ECU provides both Fuel and Ignition via MSD Streetfire CDI)	Standard Dizzy provides tach signal to the ECU, ECU provides both Fuel and Ignition via MSD Streetfire CDI)	Cam sensor kit	Cam sensor kit
				Ignition modules	Ignition modules
				Coil-on-plug Ignition Coils	Coil-on-plug Ignition Coils
Docs	Installation guide, manual, Tuning software, base tuning maps/files	Installation guide, manual, Tuning software, base tuning maps/files	Installation guide, manual, Tuning software, base tuning maps/files	Spark Plugs	Spark Plugs
				Installation guide, manual, Tuning software, base tuning maps/files	Installation guide, manual, Tuning software, base tuning maps/files
Pricing	\$4,897	\$5,539	\$6,835	\$7,885	\$9,085
